

Newbarns Primary and Nursery School  
**CHARGING AND REMISSIONS POLICY**

**Aim**

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

**Responsibilities**

The Governing Body of the School are responsible for determining the content of the policy and the Head teacher for implementation. Any determinations with respect to individual parents will be considered jointly by the Head teacher and Governing Body. The Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs, practical activities, trips and residential experiences can make towards pupils' personal and social education. The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities. The governors endorse the guiding principle that no child should have his/her access to the curriculum limited by charges. If a particular activity is limited to a specific number of pupils, the inclusion of pupils must not make reference to the ability or willingness to pay on behalf of the parent.

The Governing Body of the School recognise that the legislation prohibits charges for the following:

- Education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- Tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;

The Governing Body may ask parents for a voluntary contribution towards the cost of any activity that takes place during school hours. Parents are under no obligation to make any contribution and pupils of parents who are unable or unwilling to contribute will not be discriminated against. In the event of insufficient voluntary contributions being made the activity may have to be cancelled and refunds will be given.

Parents may also be invited to make a voluntary contribution for the following:

- educational visits which take place outside school hours
- any activity which takes place during school hours.

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.
